Peterborough Airport Noise Liaison Group Meeting #1

The Peterborough Airport Noise Liaison Group (PANLG) will be holding its first meeting on April 28, 2016. This meeting is for members only and will be closed to the public. The Agenda and Minutes for this meeting and future meetings, will be posted to the Peterborough Airport website at peterboroughairport.com > “Our Airport” > “Noise Abatement”.

The PANLG has been formed to provide open lines of communication between neighbouring residents and the Peterborough Airport. The following documents can be found on the Peterborough Airport website:

- Terms of Reference
- Code of Conduct
- Resident Application for Appointment

Residents living within the areas shown on the attached map (see below) are to contact their respective area member to provide noise concerns which will be brought forward at group meetings.

Residents living outside these areas can file noise concerns through the Peterborough Airport website to be brought forward at group meetings.
